Dear Mr. Roul,

Thank you very much for your participation in the first session of the Online Regional Masterclass Series on CT and P/CVE in South and Southeast Asia on 16 June. Your presentation on the impact of COVID-19 in South Asia, particularly how extremist groups used the pandemic to legitimise their ideologies and the increase in propaganda, and your active participation in the Q&A session was much appreciated.

We have received very positive feedback from participants, and this was in no small part thanks to your participation.

Yours sincerely,

*bla*
